

I-485 Application 'package'

This is an overview of every document that could be required. You ONLY need to submit documentation etc. applicable for YOUR situation. For info see the relevant Topics.

Check that names are spelled correctly and exactly the same on each form and on each submitted document. Also make sure birth dates are correct.

All forms MUST be completed in black ink. Check that all forms are signed.

For a translated document: add the translation with certificate behind it.

Only submit COPIES of required documents. Do NOT include the originals.

And yes you need to include copies of those copies.
